Disclosure Control & Ethics Advisory Activities

Erin Kenneally
UCSD (ICT Ethics)
Elchemy (Disclosure Control)

Scott Coull
Redjack (Disclosure Control)
ICT Research Ethics

- CREDS II Workshop, IEEE Security & Privacy Symposium (San Jose, May 2014)
ICTR Ethics- Path Forward

- **CREDS Tool**
  (Cyber security Research Ethics Decision Support)
  - Interactive, online decision support tool to understand, evaluate and address online cyber security research risk
  - wizardized EIA + assistive questions → Researchers
  - standardized output → IRB

- **Ongoing community ed**: ethics panels, etc.
- **Incentivizing**: DHS to require in project budgets? PCs to require in submissions?
